

## Scott County ARES Weekly Net Script Repeater Net Operation

First Monday of the month: 7:00PM local time  
WB0RMK Repeater (Carver) 147.165/147.765 PL 107.2

### **Opening:**

*CQ Emergency Communicators.*

*This is [call sign], net control station for the Scott County ARES Training Net.  
This net is held the first Monday of each month on this repeater through the courtesy of the  
SMARTS group (Southwest Metro Amateur Radio Transmitting Society).*

*This is a directed net.*

*The purpose of this net is to:*

- *provide an opportunity for all emergency communicators to improve their accuracy and speed,*
- *develop Scott County ARES ecomm,*
- *provide fellowship for ARES members and,*
- *provide the opportunity to test equipment and procedures.*

*All stations interested in emergency communications are welcome to participate.*

*Please transmit only when requested to, unless you have emergency traffic.*

*Stations with Emergency or Priority traffic may break into the net at any time by transmitting their callsign and the proword OVER.*

*This is a directed net. All stations use the proword OVER or proword OUT at the end of your transmission.*

*I am your net control station, [call sign]. My name is [ your name ] and I am located in [ your city].*

*Stations for the Scott County ARES Training net please call [ call sign ] , state your callsign, first name, location, and precedence and destination of any traffic. This is a directed net. All stations use the proword OVER or proword OUT at the end of your transmission. (OVER)*

**Optional call for check-ins – Digital Capability**

*Stations for the Scott County ARES Training net please call [ call sign ] , state your callsign, first name, location, digital capability and precedence and destination of any traffic. This is a directed net. All stations use the proword OVER or proword OUT at the end of your transmission. (OVER)*

**Acknowledge the stations checking in by listing the call signs and ending the list with the phrase:  
“This is [ call sign ] ROGER, OUT.”**

If the NECOS believes there might be stations that cannot copy his station, ask for relays by stating: *“Are there any relays? OVER.”*

If there are relays acknowledge the new check-ins after calling the relaying station. If there are no relays, conclude the net call with *“No Stations heard, OUT”*

**NET ID: Every 10 minutes**

*This is the Scott County Amateur Radio Emergency Service Training net. This is a directed net. All stations use the proword OVER or proword OUT at the end of your transmission. [your call] (OUT)*

**Closing:**

*Thank you to all stations that checked in. This net will meet again next Monday evening at 7:00pm on the simplex frequency of 146.535 MHz. Thank you to the SMARTS group for the use of this repeater this evening. This is [call sign] securing the Scott County ARES Training Net at [date and time].*

**NET REPORTING**

After securing the net, please email a list of participating stations (include yourself as NECOS) to Bob at N0BHC@ScottARES.org. Thanks for volunteering!

**Helpful Tips**

- Training is a major role for the NECOS. Make note of procedural errors while the net is in progress and take time to demonstrate correct procedure.
- Keep a list of ARES members near your notepad when you are NECOS. It helps with names and cities. You can use the latest issue of the newsletter.
- Email a list of net check-ins – Call, Name, and City, to N0BHC after the net (n0bhc@aol.com)
- Remember this is a training net, try to lead by example and if you feel comfortable, offer corrections in a constructive manner.
- Have FUN!
